Healthy discussion was held around pro's and cons for this. Unanimous on Under 15 and 13 running fully through the season, Under 11 will see 2 halves to the season (although full season fixtures will be released to run in line with senior and womens cricket. Format options to be reviewed in actions. Coaches present agreed clubs need to find a way to be more inclusive in longer format matches and make them more competitive at the same time.</p> <p>Kwilk cricket was agreed to be retained as regional but alternative options to be reviewed in actions. GW remarked we should stop referring to this as U9 festivals as it is okay for older players to play in these matches if that is the suitable ability level.</p>
