

## ***Isle of Man cricket association Easter camps***

Continuing with our philosophy of creating opportunities for all, the IOMCA will be running a series of camps over Easter for children between the ages of 6-14.

The camps are inclusive of all ability levels and are a great way to either learn new or improve current skill levels. They will be run by current Isle of Man squad players and coaches. See below for details and dates of the camps.

### ***Intro Camps***

These camps are ideal for new or existing players between the ages of 6-10 years old. An indicator of skill levels would be novice, current club Kwik cricketer or a player looking to move to 'hard ball' cricket this season. The days will be split into a combination of skills and games. The mornings are skills based, with an opportunity to learn and practice the basics of all disciplines as well as 'play' skill sessions where these skills can be enhanced by the players to create their own game. The afternoons will be an opportunity to play with a number of different 'Fun small sided' games to ensure there is plenty of involvement and lots of opportunity to practice and play.

### ***Development Camps***

Ages 11-14 current club and Island team players as an indicator of skill levels however novice players are also encouraged to come along and get involved as the camps can cater for them also. As with the intro camps these sessions will focus on Fun and skill mastery. Opportunities to practice and learn skills and lots of games to see if they can be repeated in games. Players of all levels of ability are guaranteed to learn new skills and challenge themselves whilst still understanding enjoyment is the key to success.

### ***Booking Details***

## ISLE OF MAN CRICKET ASSOCIATION

IOMcricket@hotmail.com

***\*\*These courses are booked outside so weather will have an influence. In adverse conditions we may have to cancel days if we cannot find alternative facilities at the college.***

***These camps are organized to create opportunities for players to engage and develop their cricket skills. These are non for profit and are subsidized heavily for this purpose. An acceptable level of behavior is expected from all players and in the instance of this not being adhered to we may contact parents to discuss this.***

***Your support in ensuring these camps remain fun, safe and a positive experience for all is appreciated.***
