Equipment

Participants of the senior and junior cricket camps will need to bring their own equipment including bat, box, helmet, gloves and wicket keeping gloves if relevant. Soft ball cricket equipment will be provided for the CricSoft afternoon.

Weather

IOMCA camps and clinics are outside without an indoor training option and are therefore weather dependent. We will continue in light rain or showers however if the rain is too heavy and deemed dangerous we will have to cancel and refunds will be issued.

IOMCA camps are inclusive of all ability levels and are a great way to either learn new or improve existing skill levels. They will be run by IOMCA coaches and current Isle of Man squad players.

Places should be booked in advance via email to sallygreen82@hotmail.co.uk and payment made by electronic transfer. These will be booked on a first-come, first-served basis and confirmation will be sent via email with payment details. The fast bowling clinic will be limited to 12 places.

New attendees will be required to fill in a registration form found on - <https://www.iomcricket.co.uk/courses-and-camps.html>
