#### **Kwik Cricket age to be raised to Under 11.**

Every other Country/County does this some even higher as it is an enthusing format and the best way to attract/develop young cricketers. This is played in schools and on camps so clubs need to offer the same format for new members.

No player to play up more than one age group, players can play down age groups if ability requires it.

No juniors - Under 12 or below to play in open age (senior) cricket

Junior players being introduced into Cricket.
