## ADDITIONAL INFORMATION

- Parents and Guardians can register their child for ONE sport.
- Due to the current lockdown, no training sessions have taken place. We are hoping that once restrictions are fully lifted, children may be able to enjoy one or two training sessions, however we can't guarantee this.
- Please take your time completing the online registration process - incomplete forms will be returned.
- If you completed a form before lockdown & handed it to a coach - please still complete the online registration.
- Please check that your child is the correct age for the sport you have chosen.
- The online registration will close on Fri 7th May. Unfortunately some sports have limited numbers on the day. In this instance forms are accepted on a first come, first served basis. Please complete registration ASAP.
- When you receive an email after registering - this is confirmation that your child can take part in the 2021 HSBC MYG!
- We will use the email address on the form to let you know about collecting a t-shirt and further information a week before the event.
