

# **Isle of Man cricket association** **Summer camps**

Continuing with our philosophy of creating opportunities for all, the IOMCA will be running a series of camps over the summer holidays for children between the ages of 6-14.

These camps are sponsored by Celton Manx and the first 40 people to book will receive a free T Shirt (sizes permitting).

The camps are inclusive of all ability levels and are a great way to either learn new or improve current skill levels. They will be run by current Isle of Man squad players and coaches. See reverse for details and dates of the camps

## **Intro Camps**

These camps are ideal for new or existing players between the ages of 6-10 years old. An indicator of skill levels would be novice, current club Kwik cricketer or a player looking to move to 'hard ball' cricket next season.

The days will be split into a combination of skills and games. The mornings are skills based, with an opportunity to learn and practice the basics of all disciplines as well as 'play' skill sessions where these skills can be enhanced by the players to create their own game.

The afternoons will be an opportunity to play with a number of different 'fun small sided' games to ensure there is plenty of involvement and lots of opportunity to practice and play.

## **Development Camps**

Those regularly playing under 11 and under 13 hard ball cricket as an indicator of skill levels however novice players are also encouraged to come along and get involved as the camps can cater for them also.

As with the intro camps these sessions will focus on fun and skill mastery. Opportunities to practice and learn skills and lots of opportunities to play games.

Players of all levels of ability are guaranteed to learn new skills and challenge themselves whilst still understanding enjoyment is the key to success.

# Camp and Booking Details
